Continuing Education Opportunities at the 2018 Winter Conference

CONTINUING EDUCATION UNITS (CEUs)

ACA offers continuing education units (CEUs) at our conferences. CEUs help employees earn professional recognition by completing educational and training programs. Participants who register for the program will earn 1.0 CEU for every 1 hour of program activities that they attend. After the conference, ACA will send participants their certificates. A $30 additional CEU registration fee is required to participate in this program. All workshops are accepted for CEU credit. CEUs are provided by the American Correctional Association.

CERTIFICATION PROGRAM — Certified Corrections Professional (CCP)

— FOR THOSE WISHING TO BECOME CERTIFIED — Certification examinations are offered in the following areas:

CBHC, CCE (Adult/Juvenile), CCM (Adult/Juvenile/Security Threat Groups), CCS (Adult/Juvenile/Security Threat Groups) and CCO (Adult/Juvenile). There are also three certification categories for nurses: Certified Corrections Nurse/Manager (CCN/M), Certified Corrections Nurse (CCN) and Health Services Administrator (HSA). You need to have previously qualified — at least 30 days before the examination date — by submitting a completed Application for Certification (obtainable online at www.aca.org or by sending a request for certification information to Katie Greatti, professional development specialist, katieg@aca.org).

Certification exams will be given on Saturday, Jan. 6, at ACA’s 2018 Winter Conference from 8 a.m.–12 p.m.

— FOR THOSE ALREADY CERTIFIED — You can obtain continuing education recertification credits toward fulfilling your recertification requirement by documenting your attendance at conference workshops — one recertification credit per hour of attendance.
Target Population
Physicians, psychologists, nurses, mental health professionals, correctional administrators, treatment staff, security, educational staff, other corrections personnel, and public health professionals who work with offenders.

Educational Objectives
At the conclusion of this activity, the participants will be able to
- Demonstrate competence in the limitations of correctional medicine concerning specific aspects of patient care.
- Determine those inmates/detainees who have a constitutional right to health care and at what level care must be provided.
- Choose between differing approaches to medical, mental health and substance abuse problems suffered by inmates.
- Establish coordination and cooperation between security and treatment personnel.

1. CME (Continuing Medical Education)

Accreditation Statements
ACCME
This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of Texas Medical Branch at Galveston and the American Correctional Association. The University of Texas Medical Branch at Galveston is accredited by the ACCME to provide continuing medical education for physicians.

Physicians can earn up to 26 AMA PRA Category 1 Credits. The maximum credit hours indicated include participation in the Advancing the Cure Hepatitis C training.

A $99 additional CME fee is required to participate in this program.

2. CE (Continuing Education)

Contact Hours for Nurses
ACA is an approved CE provider through the Florida Board of Nursing for continuing education contact hours for nurses (CE Provider #50-8793). Nurses can earn up to 26 CE hours. Nurses should only claim credit commensurate with the extent of their participation in the activity. The maximum credits hours indicated include participation in the Advancing the Cure Hepatitis C training.

A $30 additional CE fee is required to participate in this program.

3. Continuing Education for Psychologists

The American Correctional Association is approved by the American Psychological Association to sponsor continuing education for psychologists. The American Correctional Association maintains responsibility for this program and its content.

This activity has been approved for 18 CE psychology hours. Psychologists should only claim credit commensurate with the extent of their participation in the activity.

A $30 additional CE fee is required to participate in this program.

When it comes to innovative ideas in correctional health care, we’ve taken the shackles off.

The spectacular Marriott Orlando World Center Resort is a sight to behold: Convention center and hotel rooms all in one place! This beautiful, high-end resort is three miles from the famous Walt Disney World in central Florida; beautifully designed, sprawling dream complex contains everything you need in walking distance … a gorgeous Florida-style lobby, comfy guest rooms and suites, nearby meeting space in the North Tower. Convenient parking, multiple pools, exhibitors and special event venues in the Cypress Ballroom! Nearby is FedEx Business Center and Hertz Rental Car. How’s that for a great beginning?

All rooms have individual climate control, two-line phones with voicemail, wireless high speed internet access, plug-in panel to play music and connect to in-room entertainment, in-room movies, full-sized iron/ironing board, in-room safe, coffee maker, hair dryer, minibar and balcony/patio in most rooms. Upscale rooms have flat-screen TVs with premium cable channels, desks, minibars and coffee makers. WiFi is available. Suites add balconies, patios and pull-out sofas. Should you decide to venture outside the Resort complex, nearby is Disney Typhoon Lagoon and Disney Springs. A resort fee includes Disney World shuttle service.

But, you may never leave … or have to. The Marriott World Center Resort offers many restaurants, to include the Hawk’s Landing Steakhouse and Grill, the Solaris and the Mikado Japanese Steakhouse along with the Falls Pool Bar and Grill, and Starbucks coffee shop. Enjoy the on-site water park, pools, a 200-foot slide and a kid’s splash park that will enchant the young, the active and the weary! If that is not enough, there is also a golf course, sports court, and festive and creative spaces with a warm tropical flair. This amazing and sprawling resort is the exciting destination for the American Correctional Association’s 2018 Winter Conference! It has it all, including paid parking, laundry service, free breakfast, kid-friendly, hot tub, spa, fitness center — all those top-of-the-line amenities to put you in the right frame of mind to experience another successful and informative correction conference.

Let’s Go ACA! We’re off again this winter to the Sunshine State!

MEAL PREPARATION
FOOD INNOVATION

AN INDUSTRY LEADER WITH DINING CONCEPTS THAT CHALLENGE THE STATUS QUO. NOW THAT’S FOOD FOR THOUGHT.

Food is the core of our business. When it comes to serving the right portions and offering variety to your offenders – and in your employee dining rooms, we are the experts. With almost 40 years spent in the corrections industry, we know the food you serve has a direct impact on safety, and satisfaction is at the forefront. Our team of dietitians, chefs and culinary support staff works to develop menus that look appetizing and are satisfying. But it doesn’t end there. As needs evolve, so do we – with a pipeline of new solutions to enhance food service at your facility that we regularly review to make sure we’re hitting the mark. We are not only a service provider, but a flexible ally.
Correctional Behavioral Health Training and Certification Program

This certification ensures a candidate’s knowledge of national standards and guidelines, legal and ethical principles, and relevant security regulations.

It also validates the role of correctional professionals associated with the provision of behavioral health services for mentally ill inmates or offenders in correctional settings.

Candidates will gain

– Expanded knowledge: Identifies and awards recognition to staff who have demonstrated knowledge, skills and ability in working with mentally ill offenders through a standardized test of competency.

– Career opportunities: Provides a national standardized certification that validates capability in working with mentally ill offenders and improves ability to compete in the job market.

– Professional recognition: Raises the professional standards and qualifications of corrections professionals who work with mentally ill offenders.

– Standard of excellence: Enhances credibility, influences the future direction of the profession, and establishes the potential for increased compensation and benefits for staff.
