* Chart based on the 2019 Winter Conference
For more than 149 years, the American Correctional Association has championed the cause of corrections and correctional effectiveness. Founded in 1870 as the National Prison Association, the American Correctional Association is the oldest and largest correctional association developed especially for practitioners in the corrections profession. ACA represents thousands of active professional members. The membership consists of individuals and organizations involved in all facets of corrections, including adult and juvenile institutions, community corrections, juvenile justice, health care, and probation and parole located in the U.S., Canada and other nations. ACA is the leader in the improvement of corrections and the professional development of experts in the field.

ACA provides its members with educational materials, publications, training courses, seminars, biannual conferences, accreditation services and a variety of other networking opportunities, not to mention Corrections Today and discount programs. Working toward a unified voice in correctional policy, ACA has been actively involved in:

- Developing national correctional philosophy.
- Designing and implementing standards for correctional services and methods for measuring compliance.
- Providing publications, training and technical assistance.

### Special Invitation to Treatment Providers

ACA brings together health care practitioners and providers with correctional leaders and security professionals to examine important health care and treatment issues relevant to the corrections field, and to improve communications and operations for all facets of corrections.

ACA is the only organization in the world that is working with correctional treatment and security professionals toward common goals — quality training and open dialogue. Many workshops, special events, social activities and meetings are planned for members at each ACA Congress of Correction.

Please join ACA at the John B. Hynes Veterans Memorial Convention Center and participate in this important program with local, state and federal corrections professionals, representing all aspects of the field, to help improve your services, protect the public and prepare women and men for release back into society.

SHOW SERVICE CONTRACTOR

Hargrove Inc. is the official show service contractor. Exhibitors must use ACA’s official show service contractor for drayage and rigging, furniture rentals, and other services as published in the Exhibitor Service Kit.

Exhibitors are expected to have their booths in show condition each morning before the Exhibit Hall opens. Make any arrangements for cleaning services, available through ACA’s official show service contractor, prior to the show. All of the above services are available at discount rates if contracted prior to the deadline indicated on the order form in the Exhibitor Service Kit.

For other services, exhibitors desiring to use contractors other than those officially appointed by show management must advise show management and submit to ACA and ACA’s official show service contractor the necessary certificates of insurance 30 days in advance of the initial opening of the show.

While the ACA has designated Hargrove Inc. as the official show service contractor, ACA assumes no responsibility or liability for any of the services performed or products provided by such contractor.

LABOR REQUIREMENTS

ACA, the John B. Hynes Veterans Memorial Convention Center and Hargrove all adhere to rules and regulations. All Exhibitors are required to follow all the rules and regulations set forth by all three parties: ACA, the John B. Hynes Veterans Memorial Convention Center and Hargrove. This may include but is not limited to the following: using qualified personnel for all show services, material handling, exhibit installation and dismantling. Detailed information and forms will also be available in the Hargrove online Exhibitor Kit.

STORAGE OF PACKING BOXES OR CRATES

Storage crates, boxes or other extraneous materials are not to be stored in or behind the exhibit booths during the show. Arrangements must be made with the contractor for pick-up, storage and return at published drayage rates.

SHIPPING AND DRAYAGE

An Exhibitor Service Kit, providing information on equipment rental, drayage, electrical connections, plumbing, labor and other services, will be prepared by the show contractor and emailed to exhibitors shortly after the ACA’s receipt of the full payment and Booth Reservation Contract.

The shipping and drayage information contained in the service kit will instruct exhibitors to ship materials, prepaid in such a way that it arrives no sooner than 30 days in advance of the show's opening and no later than Tuesday, July 30, 2019, at 4 p.m. at the advance receiving warehouse. Please note that freight should be shipped with an accompanying bill of lading. When a bill of lading does not accompany a shipment, a premium charge will be levied for labor to locate that freight.

The name of the convention, along with the exhibiting company’s name and assigned booth number, must appear on the shipping label. Shipments will not be accepted at the convention site before Saturday, August 3, 2019.

Exhibit materials can be shipped in care of Hargrove Inc. directly to the John B. Hynes Veterans Memorial Convention Center.

Please read the shipping information and the drayage service order form included in the Exhibitor Service Kit, where you will also find details on the advance warehouse shipping address.

ACA is not responsible for any losses, damages or costs associated with shipping directly to the John B. Hynes Veterans Memorial Convention Center or the hotels.

Display Rules and Regulations

1) A single exhibit booth may be occupied by only one company. Companies displaying jointly must reserve at least as many booths as there are companies in the joint display.

2) An exhibit booth must be occupied by the same company for the duration of the show.

3) All booths must be fully carpeted. Booths that are not fully carpeted by Aug. 4, 2019, at 1 p.m. will be carpeted by the show decorator at the expense of the exhibitor.

4) All displays, demonstrations, sales activities, etc., must be contained within the reserved booth space and may not impede traffic through the aisles. No solicitation or distribution of materials can take place within the Exhibit Hall aisles or in any other conference areas.

5) All booths are 10 feet deep by 10 feet wide, unless otherwise noted on the floor plan. Display dimensions may not exceed the 8-foot height of the backdrop or the 3-foot height of the side rails. A display may stand 8 feet in height only if it is flush with the booth’s backdrop and extends no more than 4 feet from the back line of the booth at this height. The height of the booth must then drop down to the 3-foot height of the side rails. Other displays that do not conform to these specifications, including island and peninsula booths and multilevel booths, are accepted and encouraged; however, they must be approved by the ACA in writing a minimum of 90 days prior to the show due to infringement on the visibility of or interference with adjoining displays. Displays violating this policy may be dismantled at the discretion of the ACA due to infringement on the visibility of or interference with adjoining displays (See Diagram A).

Still photography and video recording of any exhibit or function is prohibited within the exhibit hall, meeting rooms and lobbies. Exhibitors may take pictures of only their own booth before and after show hours only. Any other photography must be first approved by Show Management.
6) Exhibits that include the operation of radios, talking motion picture equipment, public address systems or any noise-making machines must be conducted or arranged so that the noise resulting from the demonstrations will not annoy or disturb adjacent exhibitors. Operators of noise-making exhibits must secure approval of operating methods before the exhibit opens. ACA Show Management shall have discretion to order removal or dismantling of exhibits not complying with this requirement.

7) Any display that exceeds normal display regulations (see Diagram A) must be approved in writing prior to the exhibit show. Permission must also be granted and arrangements must be made for any oversized display which may require early setup. Exhibitors who need to gain approval and make special arrangements must contact the ACA Exhibits Department at 800-222-5646, ext. 0011, at least 60 days in advance of the show. Displays that do not conform to regulations as stated herein and have not been approved by ACA Show Management prior to the exhibit show will not be accepted. Upon approval, exhibitors will be directed to Hargrove Inc. to arrange for an early setup time, if applicable.

8) Weapons of any type, functional or non-functional, such as firearms, swords, knives, throwing knives, crossbows, stars, bows, boomerangs, darts, tasers, etc. are strictly prohibited within Massachusetts Convention Center Authority facilities, and they may not be used or displayed at scheduled events. The MCCA strictly prohibits all persons from carrying a handgun, firearm, or prohibited weapon of any kind while on MCCA property or within a facility under MCCA control, regardless of whether the person is licensed to carry a handgun. This policy applies to all MCCA employees, contractors, temporary employees, clients, visitors and guests. Only on-duty law enforcement agents, who have been given prior authorization by the Massachusetts Convention Center Authority Chief of Public Safety to carry a weapon on the property, will be permitted to carry firearms. Replica weapons are allowed, but require express written authorization for the use and/or possession by the MCCA Chief of Public Safety. Replica weapons must only be used as props or display, and will be allowed if the replica weapon is inspected, approved and peace bonded by the Chief of Public Safety prior to entry into the facility. The MCCA reserves the right in its sole discretion to revoke the use of replica weapons within MCCA facilities at any time, without advance warning.

9) Companies will not be allowed to place any materials in ACA’s Press or Registration Area.

10) Distribution of circulars or promotional material may be made only within the booth assigned to the exhibitor presenting such material. A firm or organization not assigned exhibit space will not be permitted to solicit business within the exhibit area or in any other conference areas.

11) Combustible Materials Storage: ACA requires exhibitors’ literature to be displayed or for distribution be limited to a one-day supply. Reserve supplies shall be kept in closed containers and stored outside the convention facility in a neat manner. All exhibit booths must be cleaned of combustible rubbish daily. The show decorator provides cleaning services. Storage of any materials will not be allowed behind the back curtain of the booth.

12) Subject to ACA’s policy regarding attendance at and coverage of the 149th Congress of Correction by representatives of the media and other publications, companies offering products or services to the corrections industry are eligible to exhibit at the conference. ACA reserves the right to determine the eligibility of any company and, on the basis of that determination, to decline, to accept any exhibit booth contract or to cancel any contract already accepted from a company later determined to be ineligible to exhibit.

13) ACA reserves the right to restrict exhibits that, because of noise, method of operation, materials, or for any other reason, become objectionable; and also reserves the right to prohibit any exhibit that, in the opinion of show management, may detract from the general character of the exhibit show as a whole. Should this occur, ACA shall not be liable to the exhibitor for refund of booth rental fees or for any other damages whatever.

14) Any and all outstanding debts with ACA must be paid prior to any company, organization or agency occupying an exhibit booth at any ACA show.

15) ACA requires that any group, organization, corporation, company or other entity which advertises in ACA publications, or exhibits at ACA shows, respect the dignity of all individuals.

16) A company/organization may only distribute samples of food and non-alcoholic beverage products that the company/organization produces or sells in its normal day-to-day operations. 18) The use of open flame, including fire acts, or the storage and handling of flammable liquids, chemicals or harmful caustic substances is prohibited, unless approved by the fire marshal. This approval must be coordinated via ACA and received in writing no less than 60 days prior to the date of the show.

19) All exhibit and exhibit hall electrical installations, connections and disconnections must be obtained exclusively through the Building Electrical Contractor.

20) In order to preserve tax-exempt status with the Internal Revenue Service, ACA must insist that no selling take place in the John B. Hynes Veterans Memorial Convention Center. However, orders may be taken by vendors.

21) Smoking in the John B. Hynes Veterans Memorial Convention Center is prohibited.

22) Exhibitors which utilize or include in their exhibit materials or in their exhibit booths (a) material which is copyrighted by another, including without limitation live music or recorded music and/or videos which may or may not contain background music, or (b) materials incorporating matter subject to any other intellectual property right of another, must obtain proper licenses to use such materials, provided, however, that exhibitors need not obtain a license to utilize music the copyright to which is owned by BMI or ASCAP unless such music is utilized as background music, i.e., in a video and to be exhibited in the exhibit booth. Exhibitor agrees to defend and indemnify ACA, its officers, governors, employees, agents, subcontractors and the convention center authority against any and all claims, demands, suits or causes of action asserting infringement of copyright or any other intellectual property right in connection with the exhibitor’s exhibit booth or exhibit materials.

23) Exhibit booths must be in compliance with the requirements of the Americans With Disabilities Act (ADA) for “places of public accommodation.” Exhibitors hereby agree that they will defend, indemnify, and hold and save ACA, its officers, governors, employees and agents harmless from and against any and all claims, demands, actions, damages, loss, liabilities, expenses and judgments recovered.

Display Rules and Regulations (continued)

from or asserted against ACA on account of any actual or alleged failure of the exhibitor's exhibit booth to comply in any respect with the requirements of the ADA. Nothing in this agreement shall be deemed to be an admission by ACA or the exhibitor that either entity is a “public accommodation,” or that the convention space or the exhibit booth leased hereunder is a “place of public accommodation” under the ADA.

24) Exhibitor represents and warrants that it is in full compliance with all federal, state and local equal employment laws, rules, regulations and ordinances applicable to its operations.

25) Exhibitors accept full responsibility for their acts and conduct, as well as the acts and conduct of their invitees, within any part of the Exhibit Hall and conference area, and agree to defend and indemnify ACA against any and all claims, demands, actions, damages, losses, liabilities, expenses and judgments recovered or asserted against ACA on account of any such acts or conduct. Due to the professional nature of the conference, exhibitors, as well as all personnel working on behalf of exhibitors in their booths, are required to wear professional business attire. Anyone not dressed appropriately will be removed from the exhibit hall by ACA Show Management.

26) During the exhibit setup and dismantling hours and in the evening after the close of exhibits, ACA will provide security service to cover entrances to the Exhibit Hall. During exhibit hours, exhibitors will be responsible for security in their booth(s). Small items of value should be removed from the area during non-show hours. ACA shall not, at any time, be responsible for the safety of the property of the exhibitors, its agents, employees or invitees, from theft or damage by fire, accident or due to any other cause. Exhibitors are required to insure the contents of their exhibit booths. The exhibitor assumes entire responsibility for losses, damages and claims arising out of (a) damage to exhibitor’s displays, equipment and other property brought upon the premises of the Exhibit Hall and (b) injury to exhibitor employees, agents or invitees within the Exhibit Hall. The exhibitor shall defend and indemnify ACA, its officers, governors, employees and agents against any and all claims, demands, actions, damages, losses, liabilities, expenses and judgments recovered or asserted against ACA on account of any such damage or injury.

27) Exhibitors or their agents shall not injure or deface the walls of the building, the booths or the equipment of the booths, including via painting and staining. Exhibitors are not permitted to use tape, or drive tacks, nails, or screws into the walls or woodwork. When such damage appears, the exhibitor is liable to the owner of the property so damaged. Use of stickers, decals, and adhesive materials is limited to the exhibitor's own display. Mylar balloons, glitter, confetti or birdseed is not permitted in the Exhibit Hall.

28) All materials used in displays must be flameproof and meet local fire regulations. All electrical wiring must conform to local codes. These regulations will be enforced.

29) The Fire Department requires that all fully enclosed exhibit spaces be equipped with smoke detectors and an annunciator located on the exterior of that space.

30) Any vehicle or combustion operated machine that is a part of an exhibit must contain a minimal about of gasoline (1/8 of a tank or 3 gallons, whichever is less) and must be equipped with locking or taped gas caps. Keys to start the vehicle, as well as any deactivation codes for security features, must be left with the MCCA Public Safety department. Motorized vehicles should have a least one (1) battery cable used to start the engine, disconnected and the end of the disconnected battery cable, taped. It is preferred that the positive or “hot” cable be disconnected. No vehicles shall be moved during exhibit hours nor can they be started or operated within the exhibit hall for the first 15 minutes after the exhibit hall closes to the public for the day or final closing of the event. No vehicle may be operated on the exhibit hall without a lead person walking in front of the vehicle warning people of vehicle movement.

31) Running fuel-powered motors or machinery: All fuel-powered motors must have an exhaust system that will prevent any fumes from being emitted. Prior to show, ACA and the John B. Hynes Veterans Memorial Convention Center approval is required. A Fire Watch may be required. This approval must be coordinated via ACA and received in writing no less than 60 days prior to the date of the show.

32) Tents, awnings, canopies: The use or display of tents, awnings or canopies requires prior written approval of the John B. Hynes Veterans Memorial Convention Center. This approval must be coordinated via the ACA Show Management and received in writing no less than 60 days prior to the date of the show and must include detailed plans showing size, height, location, anchoring details and certification of flame retardancy for all materials. The John B. Hynes Veterans Memorial Convention Center does not allow exhibitors to drill in the floor.

33) During Exhibit Hall setup or teardown, children under the age of 18 are not allowed in the Exhibit Hall.

34) Animals may be displayed in conjunction with an exhibit, only if written permission and proper insurance coverage is provided. Service animals are to remain on a leash or stay within voice command. Owners are responsible for pets’ actions and clean-up/disposal of waste.

35) As a courtesy to all exhibitors, hospitality suites shall not be open, and private parties shall not be permitted, during the scheduled hours of the trade show, ACA meetings or other ACA functions. Exhibitors scheduling private functions in conflict with official ACA events will jeopardize participation in future ACA shows.

36) In the event of cancellation of the 149th Congress of Correction for any reason, ACA’s liability to an exhibitor shall not exceed the amount of rental fees paid over and above the non-refundable deposit. The exhibitor’s acceptance of these Rules and Regulations constitutes a release of ACA from any claims for damages in excess of said amount.

37) ACA shall not be liable for failure to perform its obligations hereunder due to strikes, riots, acts of God, pandemics or any other cause beyond its control.

38) All regulations as stated in this brochure are part of the legally binding booth reservation contract. In signing, the exhibitor agrees to abide by the regulations as stated herein and on the Booth Reservation Contract.

In the event ACA determines an exhibitor is in violation of any of these Rules and Regulations, ACA Show Management will personally contact the senior exhibitor staff member present to advise that individual of the details of the violation. ACA will allow a reasonable amount of time for the exhibitor to correct the violation. If the infraction is not corrected within the time allowed, the exhibitor’s booth may be, at the sole discretion of ACA Show Management, be closed and/or dismantled without compensation to the exhibitor, and the exhibitor may forfeit the right to exhibit at future ACA events. All matters not covered by these Rules and Regulations shall be within the discretion of ACA Show Management. These Rules and Regulations may be amended at any time by ACA Show Management. Any such amendments shall be provided to, and shall be binding upon, all exhibitors.

**Note:** Only current exhibiting companies may have an ad in the Planning Guide.
1) Planning Guide advertisers are required to make full payment. Full payment must accompany the contract. Refunds are only provided if written cancellation is provided to ACA at least 30 days before space reservation due date. Rates are non-commissionable.

2) ACA reserves the right to review and reject any advertising.

3) ACA does not guarantee any level of circulation or readership for an advertisement.

4) The advertiser and/or its agent, represent and warrant that the advertisement is fair and accurate, based upon adequate substantiation and not-deceptive; that it does not infringe upon any copyright, trademark, service mark or any other intellectual property right; that it does not violate any right of privacy or contain any libelous material; and it does not constitute or contain any unlawful commercial or other misappropriation of the name or likeness of any person or entity. Advertisers and their agents assume all liability for the content of their advertisements as submitted. The advertiser and advertising agency shall pay for the defense of and indemnify the American Correctional Association against any and all claims arising out of or in any manner related to the publication of such advertising.

5) All advertising copy that might be mistaken as an article, commentary or their non-advertising material must be clearly marked “advertisement.” ACA reserves the right, within its sole discretion, to mark any copy as “advertisement.”

6) Should the Planning Guide publish advertising in a form, which it is reasonably determined to be materially other than as submitted and/or approved by the advertiser or advertising agency, or should advertising not appear as scheduled, the Planning Guide shall, at the option of the advertiser or advertising agency, either (a) void the invoice or fend the amount paid for the materially incorrect or missing advertisement, or (b) publish the advertisement in its correct form in the next available or appropriate issue. The American Correctional Association shall not be liable to the advertiser or the advertising agency for any further damages of any kind, including without limitation, direct, indirect, consequential or punitive damages, in the event that advertising is either published materially other than as submitted or approved or not run as scheduled.

7) Additional charges for changes from original layout and copy, as requested by the advertiser or to meet mechanical requirements of the publication, will be levied based on current composition rates. All mechanical, production and conversion costs are chargeable and non-commissionable.

8) Cancellations, changes or corrections must conform to published deadlines and will not be accepted unless presented in writing and signed by the advertiser/advertising agency and ACA. No cancellation of contracted space will be deemed valid unless received in writing by the publisher at least 30 days prior to the space closing date for each issue. Failure to comply with this condition will result in the advertiser being billed accordingly. The publisher will, at its discretion, either repeat the latest advertisement or publish nothing.

9) ACA does not assume any liability for the return of printing material in connection with advertising unless a specific written request is received to hold such materials subject to order for a period not exceeding 60 days.

10) All information contained within the current rate card is part of the legally binding terms of this contract. No conditions printed or otherwise, appearing on the space order, billing instructions or copy instructions, which conflict with the publisher's stated policies, will be binding on the publisher.

11) No contract is valid unless it is signed (a) by the American Correctional Association’s authorized agent on behalf of the Planning Guide and (b) by the advertiser and/or the advertising agency.

12) Any combination of ads of various sizes placed in Planning Guide during a 12-month period may earn frequency discounts. Advertising will be billed at the one-time rate until other frequency is earned or unless a written contract is established with the publisher. If a contract is canceled before the specified frequency is fulfilled, the advertiser will be short-rated for previous insertions in effect at the time of cancellation.

13) All special positions and prime space will be contracted at the rates listed on the Planning Guide rate card.

14) ACA accepts the advertising solely upon the condition that both the advertising agency and its client, the advertiser, are responsible for all obligations due to the publisher (including all expenses incurred by the publisher at the request of the agency or the advertiser). The signatures of the authorized representatives of the advertising agency and the advertiser on this contract signify that those parties affirmatively agree to their joint and several obligations hereunder. The advertiser is liable hereunder even if this contract is signed only by representatives of the advertising agency and the American Correctional Association, but not by the advertiser. The signature of only the authorized representative of the agency on this agreement constitutes a representation and warranty that he/she has explained the foregoing to his/her client, the advertiser, and that the advertiser has authorized the agency to enter into this agreement on the advertiser’s behalf. The publisher’s policy is to bill the agency for media placement. If, for any reason, the agency fails to pay the publisher’s statement when presented, the publisher will immediately seek and be entitled to receive payment of all amounts due from the advertiser.
